10 Commandments for National-Socialists

*Your country is the mainspring of your life;
remember this always!*

1. Germany is your Fatherland; love it above all, and more in deeds than in words.
2. Germany's enemies are your enemies; hate them with all your heart.
3. Every national comrade, even the lowliest, is part of Germany; love him as you love yourself.
4. Demand only duties for yourself; then Germany will also regain rights and privileges.
5. Be proud of Germany; you have a right to take pride in a Fatherland for which millions gave their lives.
6. He who abuses Germany abuses you and your deceased; repay him with your fists!
7. Repay like with like and then some. If you are denied your just rights, remember: you can secure them again only through your own political movement.
8. Do not be a hooligan anti-Semite — but beware of the *Berliner Tageblatt*!⁽¹⁾
9. Live your life in such a way that one day you will not need to stand ashamed before a new Germany.
10. Have faith in the future; only thus will you win it.
